Invitation to participate in the 2017 Central Ohio Police Motorcycle Challenge

Dear Law Enforcement Partner,

The Reynoldsburg Division of Police Motor Unit is extending an invitation to our law enforcement partners to join us at the **2017 Central Ohio Police Motorcycle Challenge** to be held in Reynoldsburg, Ohio on August 23 thru August 26, 2017.

The **COPMC** is a unique training opportunity for law enforcement motorcycle officers to gather in Central Ohio to train, network and compete against one another while improving their riding skills. We are proud to announce that the proceeds from the **Central Ohio Police Motorcycle Challenge** will benefit *Nellie's Champions for Kids-NC4K*, a tremendous organization that assists families affected by pediatric cancer.

The **COPMC** is a multi-day event to be held at the Ohio Fire Academy in Reynoldsburg, Ohio. The training will consist of several days of motorcycle operation practice (cone work) followed by six (6) competitive events that will challenge our participants in many ways. Events such as **COPMC** are common in other areas of the United States and we are very pleased to offer this opportunity to motor officers in this part of the country.

Information about the **Central Ohio Police Motorcycle Challenge** can be found on both our Facebook and registration pages.
